## 2010 Tipton Hospital Foundation "Porker Run"

Please join us for a motorcycle "Porker Run", and enjoy a ride through north central Indiana!!!

The ride begins in the south parking lot of Tipton Hospital, will travel north and east to Jonesboro to visit Ride and Leather, a custom leather and riding accessory shop, cut south to Muncie and stop by Benson Motorcycle Inc. Harley Davidson Dealership, run through Anderson and try your luck at Hoosier Park

Racing and Casino, and finish the day back at Tipton Hospital. After approximately 120 miles of riding, cards will be drawn and a winner of the Porker Run will be announced at 4:30pm (must be present to win).

All participants will receive "Pork Bucks" redeemable at select food vendors at the Tipton County Pork Festival. While no special parking will be reserved, the Tipton County Pork Festival is a fun way to end a great day!!

### Important Event Details...

Participants should gather in the parking lot on the south side of Tipton Hospital, which is located at 1000 South Main in Tipton, Indiana. Those registered by August 25, 2010 will be guaranteed a ride t-shirt. A limited number of t-shirts will be available to those not pre-registering, and will be handed out on a first come-first served basis.

Pre-registration is not required, but encouraged. Many riders like to see what the weather brings the day of the ride, and that is understandable. Pre-registration is forfeited if participants decide not to attend, as the event is held rain or shine!!

At the Hoosier Park Racing and Casino stop in Anderson, each participant will receive \$10 in casino cash, as well as a \$10 food voucher to be used on the premises. In order to receive these items, a valid driver's license must be presented. Also, in an effort to make the registration at Hoosier Park go more smoothly, information about those who have pre-registered will be forwarded prior to the 11th. This is why extra information is requested on the registration form, such as driver's license number and Club Centaur number. If you do not have a Club Centaur number, or do not know what yours is, just leave that spot blank. If you have not been to the casino before, you will receive a number that day.
